PLAN OF CONVERSION
OF
MEDICAL LIABILITY MUTUAL INSURANCE COMPANY

**Under Section 7307 of the
New York Insurance Law**

PREAMBLE

This Plan of Conversion provides for the conversion of Medical Liability Mutual Insurance Company, a mutual insurance company domiciled in New York (such entity, both before and after the conversion, being referred to as “MLMIC”), from a mutual insurance company into a stock insurance company (the “Conversion”) and the purchase (the “Purchase”) and, together with the Conversion, the “Sponsored Conversion”) of the newly authorized shares of common stock of MLMIC by National Indemnity Company, an insurance company domiciled in Nebraska (the “Sponsor”) pursuant to that certain Amended and Restated Acquisition Agreement, by and between MLMIC and the Sponsor, dated February 23, 2018 (the “Acquisition Agreement”), and Section 7307 of the New York Insurance Law.

As required by Section 7307 of the New York Insurance Law, resolutions specifying the reasons for and the purpose of the Conversion were approved and adopted by not less than a majority of the entire members of the Board of Directors (the “Board”) of MLMIC at a meeting duly called and held on July 15, 2016 (the “Initial Resolutions”).

Following the Plan Effective Date, the Eligible Policyholders, or their Designees, will receive Cash Consideration in consideration for the extinguishment of their Policyholder Membership Interests. In order to consummate the Conversion, the New York Insurance Law requires that the Superintendent hold a public hearing regarding the Plan of Conversion and that the Plan of Conversion be submitted to the Record Date Policyholders for a vote at the Special Meeting. The Plan of Conversion must be approved by at least two-thirds of all votes cast by the Record Date Policyholders actually present in person or by proxy and voting thereon.

Capitalized terms used herein without definition have the meanings set forth in Article 2 hereof.

ARTICLE 1
PURPOSE OF THE CONVERSION

The principal purpose of the Conversion is to convert MLMIC from a mutual insurance company into a stock insurance company. The Sponsored Conversion will provide Eligible Policyholders, or their Designees, with Cash Consideration. The Board believes that the transaction is fair and equitable, is consistent with the purpose and intent of Section 7307 of the New York Insurance Law and will not prejudice the interests of the policyholders of MLMIC.

The Sponsored Conversion will not reduce insurance coverages provided to the MLMIC policyholders under the Policies issued by MLMIC.

The amounts allocated to Eligible Policyholders shall vary according to the premiums properly and timely paid under their Eligible Policies, and shall be payable to Eligible Policyholders, or their Designees, as described in Article 8 of this Plan of Conversion, in respect of the extinguishment of all Policyholder Membership Interests. The portion of the Cash Consideration allocated to Eligible Policyholders will be based on qualifying premiums in accordance with the provisions of Article 8 of this Plan of Conversion and Section 7307 of the New York Insurance Law.

Through the transactions contemplated by this Plan of Conversion and the Acquisition Agreement, MLMIC will become a wholly owned Subsidiary of the Sponsor, and thereby a member of the Berkshire Hathaway group of companies.

The Notice of Special Meeting shall be accompanied by a true and correct copy of this Plan of Conversion, the Policyholder Information Statement and a proxy card to be provided to Record Date Policyholders in connection with the solicitation of the approval of the Plan of Conversion at the Special Meeting. MLMIC shall also file with the Superintendent such other documents as the Superintendent shall require.

ARTICLE 6
THE CONVERSION AND PURCHASE

6.1. Effect on MLMIC. On the Plan Effective Date, MLMIC shall be converted from a mutual insurance company into a stock insurance company in accordance with Section 7307 of the New York Insurance Law and the Purchase shall occur in accordance with this Plan of Conversion and the Acquisition Agreement. Under the terms of the Acquisition Agreement, the Sponsor will acquire all of the MLMIC Shares issued pursuant to the Conversion. Payment of the Cash Consideration allocable to the Eligible Policyholders will constitute adequate consideration for the transfer of the MLMIC Shares to the Sponsor. The Sponsor thereupon will become the sole shareholder of MLMIC and will have all of the rights, privileges, immunities and powers and will be subject to all of the duties and liabilities to the extent provided by law of a shareholder of an insurance company under the laws of the State of New York.

6.2. Effect on Existing Policies. Any Policy In Effect on the Plan Effective Date will remain In Effect under the terms of such Policy, except that the following rights, to the extent they existed in MLMIC, shall be extinguished on the Plan Effective Date:

- (a) any voting rights of the policyholder provided under or as a result of such Policy or the charter or bylaws of MLMIC;
- (b) any right to share in the surplus, earnings or profits of MLMIC, including dividends; and
- (c) the right to attend annual meetings of members (which will no longer occur).

6.3. Effectiveness of Plan of Conversion and Acquisition Agreement.

(a) The “Plan Effective Date” of this Plan of Conversion shall be the date of the closing of the Purchase under the Acquisition Agreement (the “Closing”), subject to any required consent of the Superintendent, after all of the following steps having been completed: (i) this Plan of Conversion has been approved by the Superintendent, (ii) the Record Date Policyholders have approved this Plan of Conversion by the requisite vote, (iii) the Amended and Restated Charter has been duly adopted as part of the Plan of Conversion, (iv) the Pre-Closing Filing shall have been made by MLMIC, (v) MLMIC shall have filed the Amended and Restated Charter with the Superintendent with her approval endorsed thereon and (vi) a new certificate of authority shall have been issued by the Superintendent. Subsequent to the Plan Effective Date, the bylaws of MLMIC shall be substantially in the form attached hereto as Exhibit C (the “Amended and Restated Bylaws”). This Plan of Conversion shall be deemed to have become effective at the Effective Time.

(b) The Acquisition Agreement sets forth conditions to Sponsor’s obligations to complete the Purchase, including, but not limited to: a loss portfolio transfer whereby MLMIC would cede to Sponsor all of MLMIC’s existing insurance liabilities as of the Closing (involving transferred assets and reserves currently estimated at \$3.11 billion as of March 31, 2018); an extraordinary dividend to Sponsor to reduce MLMIC’s company action level risk-based capital ratio to as low as 300% (which such dividend request was subsequently agreed by the Sponsor to be \$1.905 billion, which would maintain such risk-based capital ratio above 350%); and a quota share reinsurance agreement whereby MLMIC would cede 85% of its post-Closing business to Sponsor and an affiliate of Sponsor. Each of the loss portfolio transfer, extraordinary dividend, and quota share reinsurance agreement is subject to approval by the Superintendent. In addition to the conditions set forth above and the other conditions set forth in the Acquisition Agreement, it shall be a condition to Closing and the obligation of the parties to complete the Sponsored Conversion that: (i) all regulatory approvals required for the Closing shall have been received; (ii) no order, injunction or decree issued by any Governmental Entity of competent jurisdiction or other legal restraint or prohibition preventing the consummation of the Sponsored Conversion or any of the transactions contemplated by the Sponsored Conversion shall be in effect; and (iii) no statute, rule, regulation, order, injunction or decree shall have been enacted, entered, promulgated or enforced by any Governmental Entity which prohibits, materially restricts or makes illegal the consummation of the Sponsored Conversion. For the avoidance of doubt, the Conversion is conditioned upon the completion of the Purchase (i.e., MLMIC shall not convert to a stock insurance company unless the sale to Sponsor shall also be completed).

(c) On the Plan Effective Date:

(i) MLMIC shall by operation of Section 7307 of the New York Insurance Law and any other applicable provisions of New York law become a stock insurance company;

(ii) the Amended and Restated Charter and the Amended and Restated Bylaws shall become effective;

(iii) all of the Policyholder Membership Interests shall be extinguished, as provided in this Plan of Conversion;

(iv) MLMIC shall issue the MLMIC Shares, representing all of the issued and outstanding common stock of MLMIC, to the Conversion Agent for the benefit of the Eligible Policyholders, at an offer price of \$12,510 per share (such offer price being less than an amount equal to one-half of the median equitable share of the interests of the Eligible Policyholders in the Cash Consideration);

(v) the Sponsor shall deposit, or cause to be deposited, via wire transfer of immediately available funds, the Cash Consideration with the Conversion Agent for distribution to the Eligible Policyholders, or their Designees, and MLMIC in accordance with Section 6.3(d) hereof;

(vi) the Conversion Agent shall deposit the Cash Consideration into an interest bearing account (the "Payment Fund"); and

(vii) the Conversion Agent shall transfer and distribute all of the MLMIC Shares to the Sponsor, representing all of the issued and outstanding common stock of MLMIC.

(d) As promptly as practicable following the Plan Effective Date:

(i) MLMIC shall give notice of Conversion by publication in New York County and in the two largest cities in each state in which MLMIC is licensed to do business. Such notice shall be accompanied by a correct copy of this Plan of Conversion or a summary thereof approved by the Superintendent;

(ii) the Conversion Agent shall send or cause to be sent to each Eligible Policyholder (or its Designee) a notice of the method by which the amount of such cash payment was derived from the allocation of the Cash Consideration in accordance with Section 8.2 of this Plan of Conversion; and

(iii) the Conversion Agent shall distribute to each Eligible Policyholder, or its Designee, or, in the event of a dispute and in accordance with the provisions set forth in Schedule I, hold in escrow, the portion of the Payment Fund allocable to such Eligible Policyholder pursuant to this Plan of Conversion. Interest shall be payable on amounts

held in the Payment Fund for longer than twenty (20) Business Days at the rate of interest earned on the Payment Fund during such period.

(e) MLMIC, the Sponsor and the Conversion Agent will be entitled to deduct and withhold from the consideration otherwise payable pursuant to this Plan of Conversion and the Acquisition Agreement to any Eligible Policyholder, or its Designee, such amounts as the Sponsor, MLMIC or the Conversion Agent is required to deduct and withhold with respect to the making of such payment under the Code, or any other applicable provision of U.S. federal, state, local or non-U.S. tax law. To the extent that such amounts are properly withheld by the Sponsor, MLMIC or the Conversion Agent, such withheld amounts will be treated for all purposes of this Plan of Conversion as having been paid to the Eligible Policyholder, or its Designee, in respect of whom such deduction and withholding were made by the Sponsor or the Conversion Agent.

(f) The amount distributable to each Eligible Policyholder shall be paid directly to such Eligible Policyholder unless such Eligible Policyholder has affirmatively designated a Policy Administrator or EPLIP Employer to receive such amount on its behalf, in which case such amount shall be distributed to such Designee. In the event that a Policy Administrator or EPLIP Employer believes that it has a legal right to receive any Cash Consideration allocated to an Eligible Policyholder, it may file an objection with MLMIC at any time prior to the date of the Superintendent's public hearing in accordance with the provisions set forth in Schedule I, and such objection will be resolved in accordance with such provisions.

ARTICLE 7 POLICIES

7.1. Policies. For the purposes of this Plan of Conversion, the term "Policy" means any contract for insurance issued by MLMIC.

7.2. Determination of Eligible Policyholders. MLMIC will determine with utmost good faith the Policyholder of any Policy (including Eligible Policies) as of any date on the basis of the MLMIC Records as of such date.

7.3. Mailing Addresses. The mailing address of a Policyholder (or its Designee) as of any date for purposes of this Plan of Conversion shall be the last known address of such Policyholder (or its Designee) as shown in the MLMIC Records as of such date.

7.4. In Effect.

(a) A Policy shall be deemed to be in effect ("In Effect") as of any date if, as shown in the MLMIC Records:

(i) the Policy has been issued or coverage had been bound by MLMIC as of such date; and

(ii) such Policy has not expired, cancelled, been non-renewed or otherwise terminated (other than upon or following the expiration of its term); provided that, with respect to a Policy that has expired, was cancelled, non-renewed or was otherwise

terminated prior to July 15, 2013, for which an extended reporting period (“tail” coverage) was In Effect on or after July 15, 2013, such tail coverage shall not be considered to be a Policy In Effect during the extended reporting period.

(b) The date of expiration, cancellation or termination of a Policy shall be as shown in the MLMIC Records.

ARTICLE 8 VALUATION OF POLICYHOLDER MEMBERSHIP INTERESTS AND ALLOCATION OF CONSIDERATION

8.1. Valuation of Policyholder Membership Interests. On July 15, 2016, the Board agreed to a formula set forth in the initial acquisition agreement as of that date for determining, post-closing, the cash amount to be paid by the Sponsor, which the Board determined would result in a fair value of MLMIC as a converted stock insurance company. In making such determination, the Board took into account such factors as it deemed relevant, including the following: MLMIC’s earnings, financial condition, and business prospects; the competitive position of MLMIC; and the market value pricing ratios of other insurance companies in conversions and in merger and acquisition transactions as reflected in a presentation made by Keefe, Bruyette, & Woods, Inc. to the Board on March 16, 2016.

Subsequently, MLMIC provided the initial acquisition agreement to the Department. The Department determined and advised MLMIC there was an inconsistency between a purchase price to be determined post-closing and the procedural steps set forth in Section 7307 of the New York Insurance Law. Specifically, Section 7307 requires both approval by the Superintendent of the Plan of Conversion (with such approval including a determination that the purchase price is fair and equitable) and a vote by the Record Date Policyholders (who require adequate notice before voting), each of which would need to occur before the Closing. The Department commented that these requirements could not be met without determining the purchase price before these steps are taken. In response to these comments from the Department, and having considered changes to New York law regarding the statute of limitations for certain medical malpractice claims, MLMIC and the Sponsor negotiated the cash amount to be paid by the Sponsor. On February 23, 2018, the Board voted unanimously to approve an amended and restated version of the acquisition agreement providing a fixed Cash Consideration of \$2.502 billion. In addition, the termination date under the agreement was extended from June 30, 2018 to September 30, 2018. In exchange for their Policyholder Membership Interests, the Eligible Policyholders shall be entitled to receive the Cash Consideration as provided in Section 8.2 below.

8.2. Allocation of Cash Consideration for the Eligible Policyholders.

(a) Each Eligible Policyholder (or its Designee) shall receive a cash payment in an amount equal to the applicable Conversion Payment. The “Conversion Payment” with respect to an Eligible Policyholder shall be an amount equal to the product of (A) the Conversion Factor applicable to such Eligible Policyholder multiplied by (B) the Cash Consideration. As used herein:

(i) The “Eligible Premium” means, with respect to each Eligible Policyholder, the sum of the net premiums (gross premium less return premium and dividend paid) properly and timely paid on each Eligible Policy. For Eligible Policies that identify multiple insureds, the Eligible Premium with respect to each Eligible Policyholder under such Eligible Policy means the sum of the net premiums (gross premium less return premium and dividend paid) properly and timely paid and allocable to such Eligible Policyholder under the Eligible Policy. Eligible Premiums shall exclude premiums resulting from an endorsement to an Eligible Policy which is first effective after the Record Date and premium paid for an extended reporting period (“tail” coverage) with respect to a Policy that expired, was cancelled, non-renewed or was otherwise terminated prior to July 15, 2013. Eligible Premiums shall include adjustments attributable to any premiums resulting from audits and retrospective premium adjustments relating to an Eligible Policy to the extent billed within 180 days after the Record Date, provided such premium is properly and timely paid. In addition, Eligible Premium shall include premiums, if any (and subject to the preceding sentence), under an Eligible Policy issued to any predecessor in interest to an Eligible Policyholder. For the purpose of determining Eligible Premium, MLMIC shall allocate premium paid on Eligible Policies on a daily basis over the term of each Eligible Policy and multiply such daily rate by the number of days that such Eligible Policy was In Effect during the Eligibility Period, adjusted on a consistent basis for all adjustments to gross premium as specified above.

(ii) “Total Eligible Premium” means the sum of all Eligible Premiums of all Eligible Policyholders, calculated in accordance with Section 8.2(a)(i) above. The Total Eligible Premium is approximately \$1.303 billion.

(iii) “Conversion Factor” means, with respect to an Eligible Policyholder, an amount equal to the Eligible Premium with respect to such Eligible Policyholder divided by the Total Eligible Premium.

8.3. Determination of the Allocation. MLMIC shall use utmost good faith in making the allocations set forth in this Article 8. Eligible Policyholders (or their Designees) may within thirty-three (33) days of the date of mailing of the Policyholder Information Statement, request that MLMIC calculate the applicable Conversion Payment. If so requested, MLMIC will send to each Eligible Policyholder (or its Designee) an e-mail (or by other form of delivery if so requested by such Eligible Policyholder or its Designee) that sets forth MLMIC’s estimate of such Conversion Payment, the manner in which it was calculated and to whom it will be distributed (either the Eligible Policyholder or its Designee) (an “E-mail Estimate”). Disputes as to the determination by MLMIC may be resolved in accordance with the procedures set forth in Schedule I. Objection Procedures

Objection to MLMIC's Calculation of Allocable Cash Consideration

If an Eligible Policyholder (or its Designee) believes that the amount of its allocation as estimated by MLMIC in the E-mail Estimate to such Eligible Policyholder (or its Designee) pursuant to Section 8.3 is incorrect, the Eligible Policyholder (or its Designee) may, within thirty-three (33) days from the date of the mailing of the Policyholder Information Statement, send MLMIC a letter (return receipt requested) or an e-mail (preferably an e-mail) that sets forth the amount that such Eligible Policyholder (or its Designee) believes is the correct amount, along with any documentation that such Eligible Policyholder (or its Designee) has to support its calculation. Eligible Policyholders (and their Designees) will not have the right to dispute such allocations in accordance with these procedures unless they do so within such thirty-three (33) day period or within five (5) Business Days after receipt of the E-mail Estimate, whichever is later. Notwithstanding the foregoing, the Eligible Policyholders' legal rights and other claims against MLMIC under New York law shall not be prejudiced.

The Comptroller of MLMIC will then review the objection and MLMIC will inform such Eligible Policyholder (or its Designee) in writing of the Comptroller's determination as to whether the Eligible Policyholder's (or its Designee's) calculation is correct.

If the Eligible Policyholder (or its Designee) still disagrees with MLMIC's calculation, it may appeal that determination to an impartial ombudsman by sending a request to MLMIC, who will forward the appeal to the ombudsman. The ombudsman will review both the Eligible Policyholder's (or its Designee's) calculation and that of MLMIC and issue a decision prior to the date of the Superintendent's public hearing. The ombudsman's decision will be communicated in writing to the Eligible Policyholder (or its Designee) and to MLMIC. The impartial ombudsman will be appointed by MLMIC, subject to approval by the Superintendent.

Objection to Recipient of Cash Consideration

If a Policy Administrator or EPLIP Employer has not been specifically designated to receive the Cash Consideration allocated to an Eligible Policyholder, but nevertheless believes that it has a legal right to receive such Cash Consideration, such Policy Administrator or EPLIP Employer may send MLMIC a letter (return receipt requested) or an e-mail (preferably an e-mail) that sets forth such position, along with a statement to the effect that it has provided a copy of such letter or e-mail to the applicable Eligible Policyholders, at any time prior to the date of the Superintendent's public hearing. If sent by mail, the objection will be considered to be received by MLMIC only when actually received. If MLMIC receives a properly filed objection, the allocated Cash Consideration will be held in escrow by the Conversion Agent until MLMIC receives joint written instructions from the Eligible Policyholder and the Policy Administrator or EPLIP Employer as to how the allocation is to be distributed, or a non-appealable order of an arbitration panel or court with proper jurisdiction ordering payment of the allocation to the Policy Administrator or EPLIP Employer or the Eligible Policyholder.

her Corporation duties or responsibilities, or which might tend to affect his or her independence of judgment with respect to transactions between the Corporation and such other business enterprise, without full and complete disclosure thereof to the Board of Directors. Each director, officer or employee who has such a conflicting or possibly conflicting interest with respect to any transactions which he or she knows is under consideration by the Board of Directors, is required to make timely disclosure thereof so that it may be part of the directors' consideration of the transaction.

None of the directors, officers and employees shall accept gifts, gratuities or favors of any kind from any person, firm or corporation doing business or seeking to do business with the Corporation under circumstances from which it could reasonably be inferred that the purpose of the gift, gratuity or favor could be to influence the said director, officer or employee in the conduct of Corporation transactions with the donor or the interest the donor is representing. Nothing in this Article shall be construed to prohibit either the giving or the receiving of normal hospitality of a social nature or the normal practice of gift exchange on a reciprocal basis between persons having close personal relationships unrelated to business.
