

Application for Dentists Professional Liability Insurance

www.MLMIC.com

IMPORTANT NOTICE

Coverage is available to qualifying New York State Dentists, on either an occurrence policy form or a claims made policy form. (Please note your choice below).

If you select the claims made policy form, please be aware that **NO** coverage will be extended for any incidents, occurrences or alleged wrongful acts which took place prior to the Retroactive Date stated in the policy.

Under the claims made policy form coverage is only provided for incidents that occur on or after the Retroactive Date stated in the policy and which are reported to the Company while the policy is in effect or within 60 days following termination of insurance, unless additional reporting period coverage (Optional Extended Reporting Endorsement) is purchased which would provide an unlimited time period to report covered Claims.

During the first several years, claims made premiums are lower than occurrence premiums but then they increase gradually, independent of overall rate level increases, until the claims made risk reaches maturity.

All applications are subject to prior approval. *If your application is approved, coverage can be provided no earlier than the day following our receipt of the signed and completed application.*

Answer ALL questions. An incomplete application cannot be evaluated. If a question is not applicable, state N/A.
